

6 years on the SMS Executive

Saturday 10.6.23

I can't quite believe it's almost 6 years that I have been part of the Executive Board for the Society of Master Saddlers.

In 2017 I sat around the table thinking ok, how does this work and what can I do to help? Well my workaholic nature got stuck right in and I am proud to have helped the SMS team deliver change and improvements to their training pathways, marketing and strategic planning.

My Presidential Year of 2020/2021 was 'full on', still in the midst of the pandemic it was a very challenging period for the industry and the world as a whole.

I now sit as an Officer on the board with my role as Treasurer (as I love a good spreadsheet) and I am also Chair of the Marketing Sub-Committee. I still thoroughly enjoy working alongside my well respected peers and cultivating a Society for the future of our Members and the equestrian community as a whole.
